

**Become a valued sponsor and
Make an IMPACT in your Community!**

Impact100 Garden State invites sponsorship of its robust series of meetings, programs and events. Sponsors are recognized at events throughout the year, in marketing materials, and in membership communications. Sponsorship is a great way for local businesses, corporations, and members of our community to invest in our organization and ensure its growth and sustainability. As a sponsor, you'll be able to network with close to 300 well-heeled and highly-engaged members and celebrate with the nonprofit community. Sponsors will receive logo recognition on the website as soon as a commitment is made and enjoy maximum visibility all year long.

Your support matters! As an all-volunteer philanthropic organization, Impact 100 relies on donations from members, local businesses, corporations, and family foundations to help cover our operating and administrative costs. We ask you to **please consider supporting** our efforts by becoming a **sponsor today**. Please review the list of **sponsorship levels & benefits below**. To reserve your participation, **download** the [Sponsorship Form](#), complete with your information, and mail it along with your check. If you require additional information, you may download our [Case for Support](#). Please feel free to contact Marcia Hunter at marcia.w.hunter@gmail.com with any questions.
