

## ***Become a valued sponsor and Make an IMPACT in your Community!***

Impact100 Garden State invites sponsorship of its robust series of meetings, programs, and events. Sponsors are recognized at events throughout the year; on our website, in marketing materials, and membership communications. Sponsorship is a great way for local businesses, corporations, and members of our community to invest in our organization and ensure its growth and sustainability.

Impact100 Garden State is a unique organization of women that is dedicated to improving the lives of New Jersey residents. Our mission is to engage women in philanthropy by collectively providing high-IMPACT grants to nonprofits serving the counties of Morris, Passaic, Somerset, or Sussex. Each member contributes \$1,000 to collectively fund at least one high-IMPACT grant for \$100,000 to an eligible nonprofit organization. Members participate in the grant-decision process and vote to determine the grant recipients. Impact 100 Garden State was the eleventh to join a nationwide network of 44 Impact groups in the U.S. and abroad. Together, we provide millions of dollars in grants to local nonprofit organizations each year.

This year, with a membership of 282 women, we raised a record-breaking \$282,000. That means we will award two transformative grants, one each for \$141,000, to support nonprofit programs at our Annual Awards Meeting on November 8, 2017; it also means that in our five-year history we have collectively raised more than \$1,000,000 for nonprofit programs.

Impact100 Garden State hosts a wide variety of programming and member events throughout the year. Our major events include the Annual Awards Meeting held in November, Impact Grant Announcement in April, and our Spring Membership Celebration, held in May or June. All three continue to grow in popularity and offer unique recognition opportunities for our sponsors. As a sponsor, you'll be able to network with close to 300 well-heeled and highly-engaged members and celebrate with the nonprofit community. Sponsors will receive logo recognition on the website as soon as a commitment is made and enjoy maximum visibility all year long.

**Your support matters!** As an all-volunteer philanthropic organization, Impact 100 relies on donations from members, local businesses, corporations, and family foundations to help cover our operating and administrative costs. Every membership dollar is used to fund grants for local nonprofits. Please consider being part of our quest to improve the lives of those in our communities. ***Become a Sponsor Today!***
