Make an Impact. Become a Sponsor!

Impact100 Garden State is a dynamic, all-women, all-volunteer organization that collectively awards high-impact grants to local nonprofits within our five-county area, which includes Morris, Somerset, Passaic, Sussex, and Union. Since its first grant in 2013, we have donated over $4 million in grant funds, showcasing the transformative power of collective giving.

We are a 100% volunteer organization, and 100% of our membership funds are awarded annually. We rely on the generosity of members, friends, sponsors, and local businesses to help cover our operating expenses. Please consider sponsoring this dynamic initiative and helping us continue to make a positive impact in our communities.
